

Care *in* the Home

Call us today

847-256-1705

**What seniors
desire most
is to remain
independent in
their own home
and community.**

***Care in the Home*
can make that
goal a reality.**

Care in the Home is licensed by the State of Illinois, approved by Medicare, and accredited by the Joint Commission.

We are dedicated to serving you with expertise and caring that exceeds your expectations and maximizes your quality of life.

All employees are held to the highest standards, well trained, and are required to undergo comprehensive screenings and background checks.
